A Festive Day in Pullman City

Upon arrival in Pullman City, we kick off our day with a warm welcome and an exciting guided tour through the Western town. Step back in time and immerse yourself in the authentic flair of the Wild West – lively, entertaining, and full of fascinating discoveries.

After the tour, we enjoy mulled wine and Christmas cookies in the festive setting of the beautifully decorated Main Street. Twinkling lights, music, and the scent of the season make this moment truly magical.

Throughout the day, an entertaining show program keeps spirits high and adds a touch of real Western romance.

In the evening, we gather for a shared meal in rustic Western style – surrounded by good company and a cozy, cheerful atmosphere.

To top it all off, we experience the spectacular Christmas Lights Show – a dazzling combination of music and lights that brings the day to a perfect close.

Afterwards, the return journey begins for our day guests – while others are welcome to relax and let the evening fade out peacefully.
